

FLOORTEX[®]

s o l u t i o n s

The experts in surface protection.

Damage prevention and ergonomic performance for the office, home office & home

FLOORTEX[®]

s o l u t i o n s

Floortex provides innovative, high quality surface protection products for the home and office.

We continually design and create new products using the latest material technologies and production techniques.

All within an environmentally responsible framework that is backed up by superior logistics and excellent customer service.

The average office chair travels 8 miles per year

Floortex mats help protect your expensive carpet or hard floor.

Carpet and hard floor repairs can be very expensive.

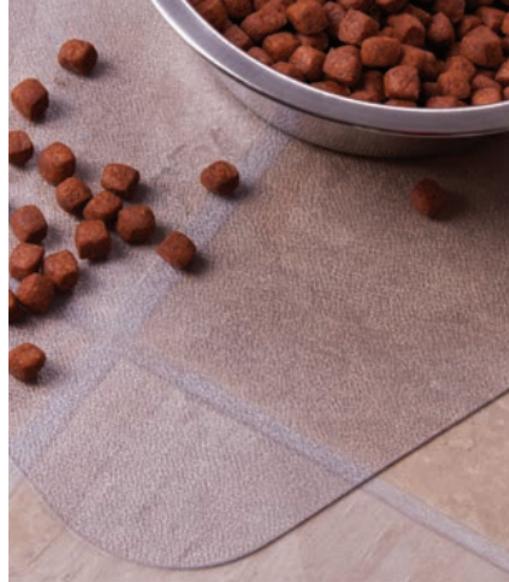

Prevention is cheaper than cure!

Floor protection
mats in the home.

Floortex mats protect
carpets and hard
floors from damage
caused by chairs and
other furnishings.

From specific applications to general protection, Floortex has the solution to prevent all forms of floor damage.

Clear protective mats protect your floors from furniture, kids, pets, spillages and damage.

We can cover them all and still allow the beauty of your floors to shine through.

Original Floortex Polycarbonate chair mats.

The ultimate mat for floor protection, ergonomic performance, clarity and durability.

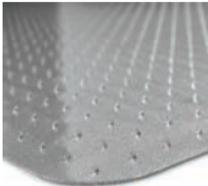

- Polycarbonate mats do not curl, crack, discolor or smell.
- Clear and tough with an ergonomic easy-glide top surface.
- High clarity allows your floor to shine through.
- Ideal for use under office chairs or to protect floors in a range of household applications, including gaming chairs, high chairs, exercise equipment, heavy furniture and kitchen appliances.
- Compatible with under floor heating systems and heat resistant up to 212°F (100°C).
- Available in a variety of shapes and sizes for hard floor & carpets.
- Manufactured using 25% renewable energy from our on-site wind turbine and solar farm. 100% recyclable.

Floortex Phthalate Free PVC chair mats

Affordable, long lasting floor protection for everyday use.

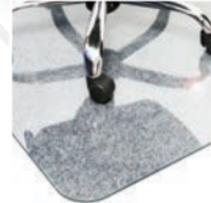

- Unique formula offers optimum performance and durability.
- High-clarity clear mats and opaque black color mats available.
- Choose smooth back for hard floors or gripper mats for carpet.
- FS-Bio anti-microbial options for chair and desk mats.
- Anti-static option to help protect electrical equipment.
- Wide variety of sizes and shapes available.
- Manufactured using 25% renewable energy from our on-site wind turbine and solar farm. Fully recyclable.
- Floortex PVC mats are free from phthalates and other plasticizers banned from children's toys and medical instruments.
- Safe to use in the home around children and pets.

Floortex Glaciermat: Tempered glass chair mats

Crystal clear elegance for the home or office.

- Crystal clear reinforced glass mat to make a strong interior design statement.
- Unbeatable protection for hard floors or carpets.
- Ultra-tough and perfectly flat surface provides superior ergonomic benefits.
- Designed with perfectly straight edges and radius corners for a design-conscious finish.
- Ideal for executive chairs and heavy use.
- The best choice for Big & Tall users - able to take weights of up to 1000lbs/454Kg.

Floortex Ecotex chair mats

A greener chair mat that does not compromise on performance.

The best performing ecologically sound chair mat on the market.

Floortex Ecotex Polypropylene chair mats

The next generation of eco-friendly chair mats that provide effective floor protection with a reduced carbon footprint and great value prices.

- 100% recyclable for further use at end of life.
- No significant material degradation means it can be recycled and used in new products.
- Folding and non-folding options.
- Folded to sizes allowing highly efficient and economic shipping - reducing carbon footprint.
- No PVC, BPA, tin, lead, cadmium or heavy metal content.
- Anti-slip for hard or polished floors and new 'Supa-Gripper' backed for carpets.
- Non-toxic, phthalate free and safe to use in offices or homes with children and pets.
- ISO-9001:2000, EN 425:2002 and EN 423:2001 standards.

For an environmentally friendly alternative, our Ecotex range of mats can seriously improve your green credentials.

Opaque mats add another sophisticated option to enhance the look of your home or office, while still providing high levels of protection...

..where as folding mats offer a perfect option for easy home or home office use. Easy to clean, easy to move and easy to store away.

Rest assured that all surfaces are covered and protected by our comprehensive range ...work or play, home or office.

But it's not just all about floors. We also have desk and table protectors, door mats, outdoor mats, game mats, white boards, anti-fatigue mats and even mats with your name on!

Retail solutions
and
opportunities.

Various POS
options, from
budget and
trial solutions...

...to high end presentations, cross-selling and bulk display.

We tailor and supply the product display to meet your requirements.

FLOORTEX®

s o l u t i o n s

Floortex is a global supplier of innovative surface protection products with a reputation for high quality manufacture and unsurpassed customer service.

Based in the UK, Floortex has worldwide coverage through a network of partners and distributors with logistics facilities in the USA and Europe.

Our UK manufacturing base offers state-of-the-art production facilities to produce a range of chair mats and surface protection solutions.

This world-class facility is backed by technical support and quality control systems that allow us to produce our innovative range to the high standards our customers expect.

The production facility is powered by 25% renewable energy through an on-site wind turbine and solar farm. This is just part of our environmentally responsible approach to business.
